

### Blanketing Reference Sheet

<b>Temperature</b> <i>In Celsius</i>	<b>Blanket</b> <i>*combined grams of all blankets on</i>
Above 20°	Fly sheet or no blanket
5° to 20°	Sheets with no fill
0° to 12°	50 grams
-5° to 10°	150 grams
-12° to 8°	200 grams
-15° to 0°	300 grams
-25° to -5°	400 grams

*Please note: this reference sheet is purely a “rule of thumb”. Keep variables in mind such as: clipped vs unclipped, and horses living outside 24/7 vs living in controlled temperatures with limited exposure to the elements. As well as: age, humidity and wind factors (pay attention to “feels like” temperature).*
